

7.1 Industrial Wind Turbines - North Perth  
INDUSTRIAL WIND TURBINES NORTH PERTH

THAT The Township of Huron-Kinloss Council hereby endorses there solution of the Municipality of North Perth and in so doing Requests the Ontario Provincial Government to implement a moratorium on Industrial Wind Turbines until independent health studies have been completed and a full environmental study be done to determine the possible impact, and all related potential costs that will be incurred by the Municipality and the effect on property values in the affected areas and the introduction of legislation that grants some power to deal with these wind turbines be restored to allow municipalities to set appropriate setbacks specific to their jurisdiction and to implement such other measures as they deem necessary.

7.2 Industrial Wind Turbines- Arran Elderslie  
INDUSTRIAL WIND TURBINES

WHEREAS It is the primary function of all levels of government to function at all times with the Health, Safety and Well Being of their constituents as a high priority; and

WHEREAS, it is imperative for these reasons along with others, that all levels of government function with due diligence, the precautionary principal, and common sense when dealing with all issues; and

WHEREAS The Medical Officer of Health for Grey Bruce has clearly stated after looking into the situation that the current setback of Industrial Wind Turbines from people's homes certainly appears to have a very negative effect on some of the people's health and that a 3<sup>rd</sup> party independent study must be done, and

WHEREAS the Provincial Government of Ontario after having been told of the associated problems with the current sites chosen for Industrial Wind Turbines many, many times and having shown no concern whatsoever for the Health, Safety and Well Being of the people we represent;

NOW THEREFORE IT BE RESOLVED THAT the Township of Huron-Kinloss Council endorses the resolution of Arran-Elderslie to impose a freeze on the issuance of any kind of permits that would lead to the construction of Industrial Wind Turbines until such time that our Medical Officer of Health, Dr. Hazel Lynn has completed a study or had an approved 3<sup>d</sup> party study done to her parameters that answers these questions to her satisfaction and at that point we shall move forward based on solid information from the study or studies involved.

7.3 Industrial Wind Turbines in Huron-Kinloss  
INDUSTRIAL WIND TURBINES IN HURON-KINLOSS

WHEREAS, It is the primary function of all levels of government to function at all times with the Health, Safety and Well Being of their constituents as a high priority; and

WHEREAS, it is imperative for these reasons along with others, that all levels of government function with due diligence, the precautionary principal, and common sense when dealing with all issues; and

WHEREAS The Medical Officer of Health for Grey Bruce has clearly stated after looking into the situation that the current setback of Industrial Wind Turbines from people's homes certainly appears to have a very negative effect on some of the people's health and that a 3rd party independent study must be done; and

WHEREAS the Provincial Government of Ontario after having implemented the Green Energy Act has not shown concern for the Health, Safety and Well Being of the people we represent; and

WHEREAS, the Township of Huron-Kinloss Council has adopted a Wind Turbine Development Policy in an effort to protect the residents of Huron-Kinloss from health related and land development concerns; and

NOW THEREFORE IT BE RESOLVED THAT the Township of Huron-Kinloss Council will not issue building permits for Industrial Wind Turbines to those developers who do not adhere to the policies contained in the Wind Turbine Development Policy.
