PRESS ADVISORY

HMQ and K2 WIND ONTARIO INC. SEEK TO STRIKE FARM COUPLE'S STATEMENT OF CLAIM

February 25, 2013

Shawn and Tricia Drennan are landowners facing a pending wind farm project known as K2 Wind Power Project.

The Drennans, supported by the community group S.W.E.A.R. (Safe Wind Energy for All Residents), on November 14, 2012, filed a Statement of Claim and commenced a motion for an injunction to restrain the Ministry of the Environment from issuing approval for the project until the findings of the Health Canada Study on the effects of wind turbines on human health.

HMQ and K2 Wind Ontario have brought a motion to strike the claim, trying to deny the Drennan's the ability to have their claim heard in the Superior Court of Justice.

The motion to strike will be heard at the Goderich Court house on Friday March 1, 2013 at 9:30am.
